Forex and CFD trading involve significant risk and may result in the loss of all invested capital.

Leverage can magnify both profits and losses.

Market conditions may result in:

- Slippage
- Delayed execution
- Volatility spikes
- Liquidity shortages

Past performance is not indicative of future results.

Clients should carefully assess their financial condition, investment objectives, and risk tolerance before engaging in trading activities.

Avronex Ltd. does not provide investment advice or guaranteed returns.

By using the Company's services, clients acknowledge and accept all associated trading risks.
